You are Cordially Invited to a Virtual CME Activity

Date: Tuesday, March 9, 2021

Time: 12:15 p.m. -1:15 p.m.

Location: WebEx

“Chest Wall Deformities”

Presented by Dr. Kristin Shipman

Objectives: At the conclusion of this activity, the learner will be able to:

1. Differentiate between the types of chest wall deformities.
2. Be knowledgeable in the treatments types available in order to access type of treatment.
3. Identify diagnostic testing used for chest wall deformities and when each is indicated.

Commercial Support

This Activity was developed **without** support from any commercial interests.

- A commercial interest is defined as any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients.
- **Note:** The ACCME does not consider providers of clinical service directly to patients to be commercial interests – unless the provider of clinical services is owned, or controlled by, and ACCME-defined commercial interest.

Accreditation Statement

The HealthONE Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement

The HealthONE Health System designates this live activity for a maximum **1.0 AMA PRA Category 1 Credit™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure: There are no relevant financial relationships to report for those individuals in a position to control the content of this CME Activity
