

AAP Colorado's Annual CME Conference 2025

Hybrid presentation from Children's Hospital Colorado
Friday, April 11, 2025
8AM to 445PM

Overview and Target Audience

AAP Colorado's Annual CME Conference is a full-day event that can be attended either in-person OR virtually. The conference is tailored to address clinical topics relevant to primary care pediatric clinicians, family medicine practitioners, and other healthcare professionals. The program features presentations aimed at enhancing clinical skills through up-to-date diagnostic and management strategies. Interactive, case-based discussions and dedicated Q&A sessions will enable active audience participation. This year's conference promises to be informative, engaging, and collaborative, with a design focused on creating a lasting learning experience.
